T O T H E R E A D E R.

THis Catalogue contains the Libraries of the Reverend Mr. *Arthur* late of *London*, as also of another Eminent Divine of *Hereford* deceased, together with Variety of modern Books of most Subjects, newly imported from several Parts beyond the Seas, sufficiently distinguished by their Dates and Titles. And as for other Books of moment, that Collection of the fam'd Byzantine Historians, and of our own Monkish Writers, of Chronicles Old and New, with the particular Lives of our Kings, and of Foreign and Domestick Histories in English a great Number, may be enough to intimate as well as recommend them to all Intelligent and Bookish Gentlemen, and equally encourage their Buying on this Occasion what may not again perhaps be exposed this Auctionary way.

This AUCTION will begin on Monday the 12th Day of February, 1682. at the AUCTION-HOUSE in Ave. Mary Lane over against the Black Swan near Ludgate-Street, at nine of the Clock in the Morning till twelve, and from two in the Afternoon to six, and their continue daily till all the Books be sold.

The Conditions of Sale are these :

1. That he who bids most is the Buyer ; and if any Difference arise, which the Company cannot decide, then the Book or Books shall be forthwith exposed to Sale again.
2. That all the Books in this Catalogue, not otherwise expressed, (for ought we know) are perfect ; but if any of them appear to be otherwise before they be taken away, the Buyer shall have his choice of taking or leaving them.
3. That the Money for the Book or Books so bought, is to be pay'd by the Buyer within one Month after the Auction is ended, at the Place where they are sold, where, upon Payment thereof, the Book or Books shall be delivered for the Month aforesaid.

The Books may be seen at the Place above-mentioned, the Week before the Auction begins, at any Time of the Day, except betwixt the Hours of Twelve and One, which is the rather desired by the Exposer, the Books generally being well conditioned, sufficiently inviting both as to their Editions and Binding.
